

ATN BRIDGING THE GAP BETWEEN CUSTOMER & DEVELOPERS.

21st march 2014
Friday, New Delhi

Important Interface – Real estate consultant firm was always relevant in realty mart, but in today's time their role has become much more significant. They provide an end solution to all needs.

According to Alok Tyagi, CMD, ATN group, a consultancy of Delhi-NCR, "The channel partner maintains the data of both developers & buyers so accordingly to the requirements of particular customers, consultancies present the details of the specific projects. It helps the buyers in taking the right decision by knowing the company background because in a way it helping building trust in investing money".
