## ATN SHARES EXPERT VIEW ON HIGH RISE BUILDING.

High Rise building becoming a part and parcel of urban landscape in the north. Home buyers now are less apprehensive about living on higher floor.

The trend is gaining momentum in northern region says Alok Tyagi, CMD ATN Group, a real estate consultant firm. We get a lot of customers from Higher and middle income group who demand flats on higher floors will give them a peaceful and healthy life with privacy to enjoy mornings and evenings in their respective balconies.
